Technical drawing of the shower unit showing dimensions and components:

- Min 61, Max 82 (top vertical dimension)
- 360 (horizontal dimension of the shower head arm)
- 190 (vertical dimension from shower head to shower head arm)
- Min 78,5 - Max 1350 (overall vertical dimension)
- 692,5 (vertical dimension from shower head to shower head arm)
- 32 (vertical dimension from shower head to shower head arm)
- N°2 ø6 (vertical dimension from shower head to shower head arm)
- ø50 (vertical dimension from shower head to shower head arm)
- ø20 (vertical dimension from shower head to shower head arm)
- ø24 (vertical dimension from shower head to shower head arm)
- Min 130, Max 170 (vertical dimension from shower head to shower head arm)
- G1/2" (vertical dimension from shower head to shower head arm)
- ø64 (vertical dimension from shower head to shower head arm)
- 67 (vertical dimension from shower head to shower head arm)
- Min 635 - Max 1200 (overall vertical dimension)
